28th June 2018

My name is Theo and I am a year 6 pupil,

You may remember the letter I wrote before the Easter holiday. I wrote about “The World Earth Hour” and that the School would be marking it. Well now the time has come. It will take place on Wednesday the 4th July with every class taking part. Each class is going to try and use the least amount of electricity as they can by not using the lights and turning of the projector for 1 hour. If your children have any more ideas on ways to save energy or help the environment, they can share these in class in the run up to Wednesday. We are doing this to highlight the fact that global warming is changing the world – not for the better.

As part as our focus on helping the planet we hope to be raising money for the WWF by having an own clothes day also on Wednesday 4th July. Your children will have the opportunity to wear their own clothes or an animal themed costume for £1 to raise money for this great cause.

The money raised will be used to sponsor an endangered species of animal.

Best wishes

Theo, 6B.
