Dear Parent/Carer,

### **Energy Kidz After School Childcare Survey**

We have asked Energy Kidz to survey our parents and carers to assess the demand at St. Charles for after school childcare.

Energy Kidz have a proven record of positive Ofsted inspections and have a really strong support and monitoring framework in place for their clubs. They work with a number of schools and lots of children enjoy the care they provide each day. Energy Kidz follow a free choice philosophy in that they provide a fun and happy place for children to take part in activities, arts and crafts, sports, or just chill out and enjoy a variety of toys and games.

The after school childcare will run from 3.15p.m. until 6pm and a snack will be provided. Using an online booking system there is flexibility to book regular sessions or just as and when needed.

If the result of the survey shows that there is sufficient demand for after school childcare the intention is to launch the provision after May half-term, (i.e. from Monday, 3<sup>rd</sup> June 2019).

It is really important for parents and carers who want this service to complete the online survey so that the level of interest can be gauged and provide a good indication of demand.

Please find attached an Energy Kidz flyer with more details and a link to the survey. You can also access the survey by going to: <https://www.surveymonkey.co.uk/r/stcharlescps>

Thank you in advance for participating in the survey and we look forward to the potential of hosting Energy Kidz and offering childcare services to the school community.

Yours sincerely,

Ann Slavin  
Head
