

### Religious Life of the School

Congratulations to our Year 3s who celebrated their First Holy Communion Assembly today. Thank you to Mr Lynch who coordinated this sacramental programme and to the class teachers, Miss Barter and Mrs Desmond who prepared the children for this morning's assembly. Thank also to Mrs O'Sullivan who prepared the Parish children.

### RE Home Learning

**Gospel:** John 16:12-15

*Using the Wednesday Word reflect on the questions below with your family.*

*You will have an opportunity to discuss them next week in School.*

**Gospel reflection:** What do you remember from the gospel reading?

- Why did Jesus say that he could not tell the disciples everything they needed to know at that moment?
- What will the Spirit of Truth do?
- Where do you think taught the Spirit of Truth?
- Why did Jesus say that everything the Father has is mine?

### Grenfell

I wrote to you this week about the second anniversary of Grenfell. We marked this at our special liturgy, which took place in the hall this morning, where we remembered those who died and those who were bereaved in our community.

We also took the opportunity to launch our Grenfell heart which has been mounted on the rail as you enter the school. Thank you to Jackie Domican who co-ordinated this.

### Parent/Carer's Punctuality, drop off & collection arrangements

School starts at 9a.m. for all pupils and finishes at 3.05pm for Nursery and 3.15pm for the main school. Children should be picked up punctually from the designated areas. Please make suitable arrangements to be at school on time every day, come rain or shine.

Records are kept of pupils who arrive late at the start of the day and who are late being collected at the end of the day and where this is ongoing the family may be referred to Early Help.

### Energy Kidz

Parents and Carers indicated a strong demand for the provision of after school childcare, although this didn't translate into bookings and meant that the launch has been postponed until the start of next term.

Energy Kidz need to receive sufficient bookings to go ahead with the service so please be sure to register and book before the cut-off date on 1<sup>st</sup> July when a decision will be made about whether the club will be able to launch! Details are on the school website and information leaflets are available in the office.

### Medicines

If your child has been prescribed an EpiPen or asthma inhaler, please ensure that these are in date. You will be aware from the media of the recent death in a school where an EpiPen was out of date when it was administered and proved fatal.

### Music

On Thursday, 6<sup>th</sup> June, twelve of our children who are currently learning to play woodwind or brass instruments (Grade 1 or above) took part in a 'Play Day' at Kensington Town Hall, hosted by the Triborough Music Hub along with musicians from the Royal College of Music and from the Albert's Band from the Royal Albert Hall. Eleven of our string players attended their 'Play Day' on Wednesday, 12<sup>th</sup> June. Thank you to Mrs Sebuyira for all our wonderful music.

### Science Week

Next week is Science Week at St. Charles. As part of the week all pupils will have the opportunity to enter an invention competition. Submitted entries will be judged next Friday afternoon. Good Luck!

Please remember that KS1 and KS2 children have been requested to make a contribution of £1.50 towards the cost of the science workshops.

### Leavers' Mass

The Year 6 Leavers' Mass will take place at 6p.m. on Monday, 15<sup>th</sup> July in the School Hall.

### E-Safety Workshop

On 4<sup>th</sup> July, Belinda Evans from 3BM will be delivering an E-Safety workshop to parents / carers of children in KS2. This will take place in the school hall at 9.10a.m. and we hope to see as many parents / carers as possible at this event.

### MindUp Parents Workshop - Tuesday 18<sup>th</sup> June

There will be a parent workshop on "MindUp" on Tuesday 18<sup>th</sup> June between 9-10am in the school hall to which all parents are invited.

### Year 6 School Journey

We welcomed our Year 6s back from their school trip on Monday evening. They spent four days at PGL in Osmington Bay in Dorset. By all accounts they had a great time! Thank you to all the staff who went with them. They were very complimentary about the children's exemplary behaviour.

### Attendance

So far the percentage attendance this year is 96.35%, well done everyone!

Before any holiday, I always receive requests for leave. Headteachers are only permitted to authorise leave in exceptional circumstances which are deemed to be emergencies.

**If permission is not sought or given, parents could be served with a penalty notice which will be issued by the Local Authority.** It is not a parental right to take leave during term time. Children with attendance above 95% make the best progress both nationally and at St Charles. Please ensure that your child is at school every day unless he/she is unwell.

### Sports Day

Miss Barter is busy liaising with Matt and his team to arrange our annual Sports Day which will take place on Friday, 5<sup>th</sup> July. All children from Year 1 to Year 6 should come to school in PE kit. This year we will once again be holding the event at school.
