Dear Parents / Carers,

Re: Keyworkers and Vulnerable children.

The Government has asked parents to keep their children at home to support social distancing whenever possible and asked schools to remain open only for those children who absolutely need to attend.

It is important to underline that schools remain safe places for children. Therefore, schools will only provide care for a limited number of children - children who are vulnerable and children whose parents are critical to helping fight the virus and cannot make alternative arrangements. Children of key workers who can make safe alternative arrangements are asked to do so.

Please follow this link <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision> for a full list of those defined as a key worker in this instance.

It has been recommended by the Local Authority that we seek verification of employment where parents tell us they fall into one of the keyworker categories.

In order to plan for Monday, we need you to respond by telephone by midday today. If you have already contacted us about this, we will be in touch with you later today.

With very best wishes.

Yours sincerely,

Ann Slavin
