Google Classroom Home Learning

Dear Parents/Carers,

As a school we are starting to use 'Google Classroom' for children to access learning whilst at home. It will be used every week for homework and we expect that families will access it regularly to do so.

Google Classroom will also be used to support any child that has to remain at home while self-isolating. If this is the case, there will be home learning in your child's Google Classroom for them to access.

What is Google Classroom?

Google Classroom is a free Google App that aims to simplify home learning in a paperless way. Teachers can use Google Classroom to send announcements to entire classes, share lesson resources, PowerPoints, diagrams, and home learning.

Pupils can use it at home or on the go to access work covered in class and complete home learning.

Parents can use some of the features of Google Classroom to help engage with and support pupils in their home learning. It is a free resource that can be accessed from any device connected to the internet - laptops, desktop computers, iPads, Chromebooks, tablets, Android phones or iPhones.

Please watch '[Parents and Carers Guide to Google Classroom](#)' on how to get started. We have posted this video on the front page of our school website.

As the week's progress, more will be uploaded to the classroom. Children have been shown in class what their 'Google Classroom' looks like and how to use it; please do encourage them to use it regularly.

Username and Password

Each child has a unique username and password to log on to their own class in Google Classroom. If they have not yet received it, a separate email will be sent to you with this information. Please keep this safe and do not share it with others in order to keep it secure. Children sign in with their username e.g., **harj.207@edu.st-charles.rbkc.sch.uk** and their password. If you need any help with this, please speak with your child's class teacher or email them.

We look forward to making good use of this exciting resource in the weeks and months ahead.

With very best wishes,
Jane Harris
Extended Schools Co-ordinator
