12<sup>th</sup> November 2020

Dear Parents/Carer,

### **Re: Nasal Flu Vaccination**

Later today we will forward you a letter from the Local Schools Immunisation team, provided by the Central and North West London NHS Foundation Trust (CNWL) and a parental consent form to administer a nasal flu vaccination to your child.

This year, all primary school aged children and Year 7 in secondary school are eligible for a free flu vaccination. The vaccine is given as a single spray squirted up the nose. More information can be found within the [Public Health England briefing on the 2020-21 Schools Flu programme](#).

The Local Schools Immunisation team will be visiting St Charles School on Thursday 26<sup>th</sup> November to deliver the flu vaccination programme.

**Please note- This has nothing to do with any Covid-19 testing or vaccine and the nasal flu vaccine can only be administered with your written permission.**

If you would like your child to receive the nasal flu vaccination you must fill in the consent form and return it to School.

If you have any queries or concerns, please use the link above or contact the School.

Regards,

Tony Lynch

Head of School
