4 March 2021

Dear Parents and Carers,

Filming in the School

The national television service for Spain (the equivalent of the BBC) have asked to film in the school on Monday 8th March. They are recording an item about the reopening of schools after the lockdown.

The camera crew would not film the faces of any children. Instead, they propose to film the children's legs and feet as they come into school between 8.50 and 9.00am. They may also possibly film, in one classroom, the backs of children's heads sitting in their places. They would interview senior leaders about their views.

We have made it very clear that children's faces cannot appear at all. However, if you did not want your child being filmed coming into school, we would ask them to come into school via the Nursery gate on that morning. We will be in touch separately about the filming in class.

The film crew will adhere to all Covid-19 protocols.

Kind regards,

Tony Lynch
Head of School
