School Road Closure

Dear Parent/Carer,

I wrote to you last month to tell you that the planned School Road Closure scheme had been postponed by the Council due to finance restraints.

However, I have now received an email from the Healthy Streets Officer for Westminster and Kensington and Chelsea Council, who has informed me that the funding has now been found and, as such, the consultation can begin.

If successful, the road outside of the School would be closed to all but exempt vehicles between approximately 8.30-9.15am and 2.30-3.30pm during Term times.

This is a measure we have had to consider as we are still concerned about the traffic situation at the start and end of the day.

The consultation has now started and will run until 2nd January 2022. There will be advantages and disadvantages to the scheme, so it is important that the Council hear your views before a decision is made.

Please use this link to access the consultation web page.
