1th April 2022

Dear Parent/Carer,

I am writing with an update regarding the School Street Closure which was planned to start after Easter. Unfortunately, we are unable to provide staff at this time to supervise the barriers. We had hoped that some members of the School community would be able to help with this but there has not been enough interest. For this reason, we have asked the Local Authority to postpone the launch until we are able to rectify this. But for now please note the road will be open as usual after Easter.

On a happier note, next term we are inviting parents back on site. We intend to keep the current arrangements for starting the day the same, ie, the gates will open at 8.50am and children will make their own way to class. This has proved to provide a quicker and smoother start to the School day. However, at the end of the school day, parent's and carers may enter the School and collect their child/ren from their classrooms. Please refer to today's newsletter for more details. This will allow the School community to start to come back together again and to become as strong as it was before. You will also be invited to attend Friday morning class assemblies again.

We will write with more details next term. For now, we wish you all a happy and safe Easter.

Regards,

Tony Lynch
Head of School
