14th July 2022

Dear Parent/Carer,

I hope you are managing to enjoy this hot weather whilst keeping yourself and your family safe. This hot spell is predicted to continue and to intensify well into next week, so we must take precautions to keep our children safe.

I am writing to inform you of the things we have put in to place in order to manage the heat and to keep your child/ren safe and also to outline how you can support us.

Firstly, we are allowing the children to wear their PE kits all of this week and until further notice.

Next, we have staggered our break times to allow KS1 to use the KS2 playground. Here, they can benefit from many shaded areas created by the trees and hedgerows. We are also reducing the playtimes so that the children are not out for too long at any time.

We need you to support us by ensuring that your child/ren come to School with a hat/cap. They must also have a water bottle which they will be allowed to refill throughout the day. You should also apply sunscreen to your child before they come to School to protect them from sun. Children who attend School unprepared for the heat, or where we have concerns about a child's safety, we will consider keeping a child in the School building during break times.

I thank you for your support as we work together for health and wellbeing of our children.

Regards,

Tony Lynch
Head of School
