Dear Parents/Guardians,

Diversity and Black History Month at St Charles

As a diverse school and community, teaching and learning at St Charles aims to instil a sense of belonging and pride in all of our pupils. Thus, we endeavour to provide a diverse curriculum throughout the year which reflects the many identities, cultures and experiences of those within our school community and the wider world in which we live.

The month of October is Black History month in the UK, and provides an additional opportunity to highlight and celebrate the contributions of Black individuals throughout history. During this month, the children will engage in further chances to learn about and celebrate Black history through workshops, a Black Saints focus in RE and several classroom based activities.

If you would like to contribute to our ongoing celebration of diversity at St Charles, either during Black History Month or throughout the year, please let us know.

Thank you for your continued support.

Kind regards,

Nadine Gordon
