7th October 2023

Dear Parents/Carers,

At St Charles, we are very proud of our caring and supportive community and it was lovely to see this reflected in the most recent parent survey.

Parents/Carers are our children's first educators and we work in partnership together to build good relationships between home and school to support our pupils' in their learning and development. For this reason, we welcome and encourage parents/carers to participate fully in the life of the school in any way they are able. Thank you, especially, to those of you who attended our beginning of year class and phase meetings and who came along to the Phonics meeting this week. Later this half term, we will be having our parent/teacher meetings and I hope you will be able to come and talk to your child's class teacher about their progress.

In the meantime, or at any time during the year, where issues arise, please do not hesitate to contact your child's class teacher who will arrange to meet you at a mutually convenient time to discuss and resolve the issue.

We always want to work together in the best interest of the child.

There may be times when you may disagree with a decision or policy made by the School regarding your child. If this ever happens, you are invited to contact the School to discuss it further. During such communications, whether written or spoken, we expect parents/carers to follow the Home/School Agreement Policy and show the same level of respect you would naturally expect from the School. We will always endeavour to work with you to resolve any issues or concerns and to bring about a peaceful and positive solution.

Together, we must create a safe and positive environment not only for the children but for all who work for and visit our school....

Yours

Ann Slavin
Executive Head Teacher
