What is PE and Sports Premium Funding?

The Government is providing funding to primary schools to provide additional and sustainable improvements to the provision of PE and sport to primary school children to encourage the development of healthy active lifestyles. The funding is based on the number of pupils aged 5 and over in the school in September 2022. This document sets out St Charles' plans for using the PE and Sports Premium Funding.

- ❖ To ensure provision is fully inclusive and addresses gaps
- ❖ To ensure all children are active for at least 60 minutes each day
- ❖ To continue to ensure all children have the opportunity to be involved in after school clubs, especially vulnerable pupils
- ❖ To take account of pupil views when developing PE programmes
- ❖ To increase participation in competitive sport.

Going forward, because of the approach we have taken, the SLT have identified two options for future PE provision in order to sustain what we offer currently. In the event of the funding being reduced

Option 1: As teaching staff have been upskilled and worked alongside the coaches, the teachers have gained experience and confidence in teaching PE and therefore as a school, we will no longer require specialised coaches. Good practice gained will be disseminated to new staff. Where necessary, specific CPD will be provided to maintain high standards in teaching.

Option 2: The coaches can be asked to full time PE provision through PPA, releasing class teachers for their PPA.

The aim would be to maintain the lunch time provision as this has been prioritised by the SLT as it provides more enriching lunch times for pupils.

The after school clubs will continue as they are self-funding. However, the school will endeavour to support the participation of PP pupils so that no child is disadvantaged.

As swimming is statutory, this will be funded from the school's budget.
